Dear Harry,

It has been a sincere pleasure to work with you and your esteemed board this past year. I am very proud to have been a part of the Eastside Improvement Committee. The Transitions Mentoring Project would not have become a reality without the dedicated efforts on the part of your fine group of volunteers.

Since I am no longer employed in Lodi, I believe you did the only thing you could, which was to ask for my resignation. I regretfully submit it to you now. Now that I am employed in Sacramento, it just makes sense for everybody concerned that you replace me with an individual who is based locally.

I want you and everyone on the board to know that I have grown tremendously due to my association with the EIC. Thank you so much for welcoming me into your group and allowing me to be on your board. I will miss your friendly, team-oriented, always warm and professional meetings. Please give my regards to each board member and tell them I wish them well.

Thank you, Harry, for your support and assistance getting the Transitions Mentoring Project off the ground and for everything else. I hope that someday in the future our paths will cross again. Until then, take care and God bless you and your family.

Sincerely,

*Stacey M. Warner*
